## A Corrigendum on

### A Global Reassessment of Solitary-Sociable Dolphins

by Nunny, L., and Simmonds, M. P. (2019). *Front. Vet. Sci.* 5:331. doi: 10.3389/fvets.2018.00331

In the original article, there were mistakes in **Table 2** and **Table 3** as published. The references for the dolphin “Doogie/Dougie” in **Table 2** and those for the dolphins “Q, Leucas/Luke/The Liverpool whale, Solitary Social Dolphin/Yera/Sally/Dolly/Beyoncé, Stinky/Humpy/Randy, Pechocho, Lucero, Beggar/Mooch, Dolphin 56, Kaimi, Jojo and Moko” in **Table 3**, were incorrectly published.

The corrected **Table 2** and **Table 3** appear below.

Additionally, there were also mistakes in the Footnotes. Incorrect links were published in Footnotes 12, 19, 56, and 67. The correct links for those footnotes appear below.

The authors state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
